

Anthony F. Naccarato, PE, SE, F. ASCE  
Professional Biography

#### Current Role & Career Achievements

Anthony Naccarato serves as Chairman & CEO of O'Donnell & Naccarato, one of the Mid-Atlantic region's oldest and largest structural engineering firms. Anthony is responsible for all aspects of the firm's operational leadership. He joined the firm in 1988 after earning his Civil Engineering degree from Villanova University, was promoted to Project Executive in 1994, and named a partner in 2004. His contributions to the firm and within the local design and construction community earned him the role of Vice President, which he held from 2004-2013, and President, which he held from 2014-2023.

#### Project Experience

Mr. Naccarato's structural engineering portfolio is comprised of an extensive array of healthcare, higher education, office, retail, multifamily residential, hospitality, industrial, and parking garage projects. Some of his most notable experience includes: the Capital Health System Medical Campus and Replacement Hospital in Hopewell, NJ; the University of Pennsylvania's Sansom Commons & Inn At Penn complex in Philadelphia, PA; and the multi-phased expansions of the King of Prussia Mall in King of Prussia, PA. Mr. Naccarato is a registered Professional Engineer (PE) in Delaware, Florida, New Jersey, New York, North Carolina, and Pennsylvania. He is also a registered Structural Engineer (SE) in Georgia.

#### Professional Affiliations

Mr. Naccarato remains actively involved in numerous professional associations, including: the American Society of Civil Engineers; Structural Engineers Association of Pennsylvania; Building Contractors Association; Preservation Alliance. Anthony is an Associate Member of The American Institute of Architects and is the Co-Chair of the AIA Philadelphia's Matthew J. Koenig memorial Golf Outing. Anthony also serves on the Carpenter's Company of the City & County of Philadelphia Board and Philadelphia University's College of Architecture and the Built Environment Advancement Council.

#### Community Activity

Mr. Naccarato maintains a commitment to engaging young people in the fields of engineering and design. From 2003-2013, he served as Board Chair of the ACE Mentor Program Eastern Pennsylvania Chapter, a non-profit organization dedicated to providing career directions for high school students within the integrated Architecture, Construction, and Engineering industry. Mr. Naccarato also serves on the boards of The Historical Society of Tacony and the Foundation for Catholic Education and is Vice-President of the Freire Charter Foundation Board.
